

HOW TO USE ...

SAMURAI BLACK 9

30541

1

When precision is required

SAMURAI BLACK 9 is the ideal companion when cutting work is necessary. The secure blade locking system ensures precise guidance of the cutter during cutting.

2

Stencils

It is especially popular when creating stencils. 9 mm blade width, 0,4 mm blade thickness and a double grind ensure more sharpness.

3

The 30° cutting angle offers flexible positioning. Special heat and acid treatment makes it 3 times sharper and 3 times longer lasting than conventional blades.

4

Replacement blades available in a 10-piece quiver under articlenumber 39000. Simply perfect and precise. Eh'klar!
